**Re: State v. Eileen Cassidy
Docket No. M-244/245/246 September Term 2016
078390**

Dear Mr. Neary:

I submit herewith in electronic form my Report of Findings of Fact and Conclusions of Law.

Transcripts, exhibits, pleadings, orders, and other pertinent materials are being forwarded to you today also in electronic form.

Some of the exhibits placed in evidence are physical objects. These are represented in the exhibits submitted with this filing by photographs. If the Court wishes to have the actual physical objects, they are in the custody of Mr. Czepiel (for the State) and Mr. Hobbie (for the defense). They can be obtained from those counsel upon request. The original paper copies of documents are also in the possession of the respective parties, should the Court wish to see them.

By copy of this letter, I am electronically furnishing copies of the Report to all counsel at this time.

As a reminder to all involved, the Court's April 7, 2017 Order establishing this special master proceeding requires all counsel to serve and file their briefs with the Court within thirty days of today and allows for responding briefs within ten days thereafter. No further submissions will be permitted unless requested by the Court. Upon completion of briefing, the Clerk of the Court will schedule oral argument.

If there are any questions or if anything else is required, please advise.

Very truly yours,

JOSEPH F. LISA, P.J.A.D.

on recall)
