Lifetime disbarment, jail, and they should have to re-pay even if they get unemployment, disability or Social Security or work at McDonalds. We lawyers pay enough to make up for knowing thefts from clients by shady lawyers. To many take the money and lie to the clients about the settlement money etc. Make them live in a mini-Cooper outside the courthouse. When I moved my office to a different county 10 years ago I unknowingly, and unfortunately, was assigned a phone number from such a lawyer. I cannot tell you how many calls I got, and still get, from people and courts looking for him. He was suspended in PA to. Pardon my French, but F*** him.
